Dear Sisters and Brothers,

On behalf of Kommunal, I would like to convey our sincere sympathy to all affected by the devastating earthquake.

We are deeply shocked and saddened by this enormous disaster. The sheer size of the catastrophe is beyond understanding.

We express our strong support and solidarity to all frontline rescue workers, emergency and medical staff who work heroically day and night under extreme and dangerous conditions.

In solidarity,
Swedish Municipal Workers' Union

Malin Ragnegård
President of Kommunal
